

Dear College Panhellenic President:

Gamma Phi Beta Sorority is pleased to announce the 23rd annual Panhellenic Community Impact Award, created to recognize an outstanding College Panhellenic that participates in the Southeastern Panhellenic Association (SEPA) and **successfully plans and implements a program that positively enhances the Greek reputation to campus faculty/administration, the community, non-Greek students, parents, etc.** A \$250 grant and certificate will be presented to the winning College Panhellenic at the SEPA Regional Conference in March 2012.

The enclosed application must be completed and received by **February 13, 2012**, to Gamma Phi Beta International Headquarters. Award-winning entries have included: an all-campus educational seminar; a series on racial diversity; a community outreach program; and a faculty awareness/appreciation series (these are only examples). Any innovative, image-enhancing program(s) developed by the College Panhellenic in which the Inter-fraternal community is viewed favorably by unaffiliated students, campus faculty and the local community should be submitted.

It is our hope that you will enter the outstanding programs and/or projects that promote positive Inter-fraternal relations. Gamma Phi Beta Sorority is pleased to recognize your College Panhellenic's positive public relations efforts.

Sincerely,

Elizabeth Ahlemeyer Quick
Panhellenic Affairs Vice President

PANHELLENIC COMMUNITY IMPACT AWARD

PRESENTED BY GAMMA PHI BETA

2011-2012 APPLICATION

Gamma Phi Beta Sorority presents the annual Panhellenic Community Impact Award for successful College Panhellenic programs that promote a positive Greek image to the faculty/administration, campus and community. The award is a \$250 grant and plaque, presented at the regional conference. Innovative, image-enhancing program(s) developed by the College Panhellenic in which the Greek system is viewed favorably by non-Greeks may be submitted. Past award-winning entries have included: an all-campus educational seminar; community outreach program; a faculty/administration awareness appreciation series; and a Greek Council lecture series.
