

## Gamma Phi Beta Announces Closure Of Delta Nu Chapter (Missouri State)

April 30, 2025

Centennial, Colorado — International Council (IC) sadly announces the closure of Delta Nu Chapter at Missouri State University, effective May 8, 2025. All current collegiate members of Delta Nu Chapter in good standing will be granted alumnae status.

International President Stephanie Carriere (Arizona) reflected on the closure of Delta Nu Chapter, sharing: “While this is a difficult decision, it was made with great care and what we believe is in the best interest of our members. Delta Nu Chapter has made meaningful contributions to Missouri State and to Gamma Phi Beta, and that impact will carry forward through the women who lived our mission there. I want to extend my heartfelt thanks to the volunteers, members and staff who have supported the chapter with dedication and care, especially in recent years. As the women of Delta Nu transition to alumnae status, they will continue to be embraced by our sisterhood.”

Gamma Phi Beta remains committed to providing a meaningful and values-based member experience across all our chapters. While chapter closures are never easy, they present an opportunity to reflect, learn and look ahead. We are proud of the legacy Delta Nu leaves behind and confident that its members will continue to lead and serve as alumnae in their communities and within Gamma Phi Beta.

### About

Gamma Phi Beta was founded on November 11, 1874, at Syracuse University by four bold and courageous women. The Sorority’s mission is to build confident women of character who celebrate sisterhood and make a difference in the world around us. Headquartered in Centennial, Colorado, the Sorority has chartered 190 collegiate chapters across the United States and Canada and has more than 260,000 collegiate and alumnae members worldwide.
