

## GAMMA PHI BETA APPOINTS BARBIE CHADWICK (VANDERBILT) AS FOUNDATION CHAIRWOMAN

April 21, 2022

Centennial, Colorado – On April 12, 2022, Angela (Angie) Jordan Dimit (Illinois at Urbana-Champaign) tendered her resignation and stepped down from the Gamma Phi Beta Foundation Board of Trustees, including her role as Chairwoman. In her time as Chairwoman, the Foundation has made progress in many ways, and International Council (IC) extends our deep appreciation to Angie for her years of service in Gamma Phi Beta and time as Foundation Chairwoman.

*“I am sad that it is not possible for me to continue to work alongside the Gamma Phi Beta Foundation Board of Trustees until the end of my term. However, I am so confident for the future because of the record-setting work that has been accomplished through the collaborative efforts of our Board of Trustees, International Headquarters (IH) staff and immense generosity of our donors. You exemplify True and Constant. Thank you for your consistent support.” – Angie Jordan Dimit (Illinois at Urbana-Champaign)*

We are pleased to share that Barbie Chadwick (Vanderbilt) has been appointed to complete the current term as Foundation Chairwoman. Barbie was serving her first term on the Facilities Management Company (FMC) Board of Managers and has extensive fundraising, nonprofit and leadership experience.

Barbie most recently completed a seven-year term as chair of the National Panhellenic Conference Foundation and led the group to double its endowed scholarship, establish policies and procedures and evaluate the mission and purpose of the entity. Barbie has 30 years of individual giving experience, including five years as the executive director of the Alpha Omicron Pi Foundation. She brings a strong understanding of fraternal Foundation operations and a solid background in donor cultivation, solicitation and stewardship, making her deeply qualified to serve Gamma Phi Beta as the Foundation Chairwoman.

International Council is thrilled with how strong the Foundation is regarding fundraising, including exceeding its annual goal. We know Barbie will be a welcome addition to the already incredible team of Trustees, IH staff, volunteers and donors that make the Foundation successful. The Foundation looks forward to working closely with Barbie, as our focus remains on providing members with high-impact

leadership initiatives, upholding our philanthropic endeavors and providing financial aid for educational success.

## ABOUT

Gamma Phi Beta was founded on November 11, 1874, at Syracuse University by four bold and courageous women. The Sorority's mission is to build confident women of character who celebrate sisterhood and make a difference in the world around us. Headquartered in Centennial, Colorado, the Sorority has chartered 190 collegiate chapters across the United States and Canada and has more than 242,000 initiated members.
