GAMMA PHI BETA CELEBRATES 35 YEARS OF VOLUNTEER SERVICE FROM SANDY BURBA

September 16, 2022

Centennial, Colorado – One of the most powerful ways to make an impact on Gamma Phi Beta is to share your time, talents and treasures. That is exactly what Sandra (Sandy) Burba (Miami-Ohio), one of Gamma Phi Beta’s most dedicated sisters, has done for the past 35 years.

Sandy’s Gamma Phi Beta experience has stretched far beyond her collegiate years. In addition to her lifelong sisterly connections, Sandy has remained connected to her Sorority by volunteering at the international level. Her most recent leadership roles include chief Panhellenic officer (2019-22), National Panhellenic Conference (NPC) delegate (2018-19), Panhellenic Affairs Vice President on International Council (2012-18) and first alternate NPC delegate (2008-12). Also representing Gamma Phi Beta, Sandy served as the finance chairwoman on the executive committee for NPC from 2017 to 2019.

Sandy’s leadership and loyalty over the decades have been critical to the success of Gamma Phi Beta, and her impact has been felt by many. Additionally, because of her dedicated service within NPC, Sandy leaves a legacy of admiration within the Panhellenic community for her representation of Gamma Phi Beta.

When asked about Sandy, International President Autumn L. Hansen (Idaho) says, “We are grateful to Sandy for her dedication and diligence as a volunteer for Gamma Phi Beta and the National Panhellenic Conference. She has represented the ideal of cordial and cooperative Panhellenic relationships in her many years of service.”

Former International President Krista Davis (Bowling Green) also praised Sandy’s service over the years, saying, “Sandy’s dedication and commitment to advance the sorority experience through the years is admirable. Her passion for the work of the National Panhellenic Conference is consistently evident and has been an asset to many collegiate women on campuses across North America.”
