

The Gamma Phi Beta Foundation Awards Scholarships And Fellowships For The 2025-26 Academic Year

July 2025

Centennial, Colorado — Gamma Phi Beta is pleased to announce the Foundation's scholarship and fellowship awardees for the 2025-26 academic year.

Scholarships and fellowships are made possible by the generosity of sisters and friends who have a special interest in Gamma Phi Beta or a specific Gamma Phi Beta chapter. These donors made an investment, endowing financial aid awards to help sisters with their educational expenses.

The Scholarship Committee granted more than \$450,000 in scholarships and fellowships to Gamma Phi Betas to support them in continuing their education.

The Scholarship Committee of the Gamma Phi Beta Foundation Board of Trustees extends our congratulations to all our financial aid awardees!

Note: Only financial aid recipients who provided Gamma Phi Beta with their information and gave us their permission to publish that information are included below.
