

The Gamma Phi Beta Foundation Awards Scholarships And Fellowships For The 2024-25 Academic Year

Gamma Phi Beta is pleased to announce the Foundation's scholarship and fellowship awardees for the 2024-25 academic year.

Scholarships and fellowships are made possible by the generous sisters and friends with a special interest in Gamma Phi Beta or a specific Gamma Phi Beta chapter. These donors made an investment, endowing financial aid awards to help sisters with their educational expenses.

The Scholarship Committee reviewed and assessed 457 applications and granted more than \$250,000 in scholarships and fellowships to Gamma Phi Betas to support them in continuing their education.

The Scholarship Committee of the Gamma Phi Beta Foundation Board of Trustees extends our congratulations to all our financial aid awardees*!

**Only financial aid recipients who provided Gamma Phi Beta with their information and gave us their permission to publish that information are included below.*
