GAMMA PHI BETA ANNOUNCES THE 2020-22 NOMINATING COMMITTEE CHAIRWOMAN

May 5, 2020

Centennial, Colorado — International Council (IC) conducted a meeting virtually on April 23-25. During the meeting, they selected Tanya N. Jordan (Purdue) to serve as the Sorority's 2020-22 Nominating Committee Chairwoman.

A member of Delta Iota Chapter at Purdue University, Tanya holds a bachelor's degree in communication and a master's degree in public administration from Wayne State University. She is currently serving her second term as a Vice President on Gamma Phi Beta's IC. Tanya is also the 2018-20 IC Vice Chair and a member of the Governance and Personnel Committee.

"As Vice Chair of International Council, Tanya is responsible for liaising with all of our board-level committee chairs and assisting with recruitment of volunteers interested in serving on our board-level committees. She has a unique perspective, as she served on the 2016-18 International Council that transitioned to a strategic governance board as well as serving on our initial strategic governance board. Tanya has a broad Gamma Phi Beta volunteer background, having served on our Panhellenic, collegiate, extension, recruitment and regional teams," explains International President Annabel Jones (Oklahoma).

By trade, Tanya is a professional voice actress who works on television and radio commercials, website videos, e-learning videos, corporate voicemail systems and public service announcements. She is a resident of sunny Orange County, California, where she supports the Sorority's national philanthropic partner as a founding member and current board member of the Girls on the Run Orange County council.

Eager to step into her new role as Nominating Committee Chairwoman, Tanya plans to "provide clarity and guidance to those who will recruit and select the next generation of leaders while managing the operational aspects of the process. I want to build upon the work of previous committees that laid a strong foundation and continue to facilitate a transparent, inclusive and equitable process for all applicants."
