THE GAMMA PHI BETA FOUNDATION AWARDS SCHOLARSHIPS AND FELLOWSHIPS FOR THE 2021-22 ACADEMIC YEAR

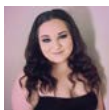

Gamma Phi Beta is pleased to announce the Foundation's scholarship and fellowship awardees for the 2021-22 academic year.

Scholarships and fellowships are made possible by the generous sisters and friends with a special interest in Gamma Phi Beta or a specific Gamma Phi Beta chapter. These donors made financial gifts to the Foundation, endowing a financial aid award(s) for members.

The Grants Committee reviewed and assessed 186 applications and granted over \$105,000 in scholarships and fellowships to 76 Gamma Phi Beta women to support them in continuing their education.

The Grants Committee of the Gamma Phi Beta Foundation Board of Trustees extends our congratulations to all our financial aid awardees*!

**Only financial aid recipients who provided Gamma Phi Beta with their information and gave us their permission to publish that information are included below.*
