## Gamma Phi Beta Reappoints Barbie Chadwick (Vanderbilt) as Foundation Chair

July 14, 2023

Centennial, Colorado – International Council is pleased to share that Barbie Chadwick (Vanderbilt) has been reappointed to serve another three-year term as Foundation Chair.

Of the reappointment, International President Autumn L. Hansen (Idaho) stated, “Over the past year, it came as no surprise that Barbie was an exceptional leader for the Foundation. Under her direction, the Foundation has seen tremendous success in supporting Gamma Phi Beta and her members. It is thanks to Barbie, the Board of Trustees, International Headquarters staff and our volunteers that the Foundation continues to embody the spirit of sisters helping sisters and surpass all their fundraising goals.”

Barbie has extensive fundraising, nonprofit and leadership experience. She most recently served as the Facilities Management Company Board of Managers Chair. Previously, she completed a seven-year term as chair of the National Panhellenic Conference Foundation and led the group to double its endowed scholarship, established policies and procedures and evaluated the mission and purpose of the entity. Barbie has 30 years of individual giving experience, including five years as the executive director of the Alpha Omicron Pi Foundation. She brings a strong understanding of fraternal Foundation operations and a solid background in donor cultivation, solicitation and stewardship, making her deeply qualified to serve Gamma Phi Beta as the Foundation Chair.

International Council looks forward to continuing to work closely with Barbie and the Foundation, as the Foundation’s focus is to provide members with high-impact leadership initiatives, upholding our philanthropic endeavors and providing financial aid for educational success.
