

GAMMA PHI BETA REMEMBERS SAMANTHA LYNN CONDRIK

February 3, 2021

Centennial, Colorado – Gamma Phi Beta mourns the loss of member Samantha Lynn Condrick (Kentucky).

Samantha “Sam” Lynn Condrick, 20, of Cranberry Township, Pennsylvania, passed away on Saturday, January 30, 2021. Born September 17, 2000, in Pittsburgh, she was the daughter of Francis D. Condrick Jr. and Amy (Falce) Condrick.

Sam was attending the University of Kentucky and was a proud member of the Lewis Honors College; she also spent her time volunteering while at the university. Above all, she was a loving daughter, sister and granddaughter, who will be dearly missed by all who knew her.

In addition to her mother and father, Amy and Francis Jr., she leaves behind to cherish her memory her sisters, Faith and Noelle Condrick; her maternal grandfather, Dale M. Falce; and her paternal grandmother, Dora Linardi Condrick. Sam was preceded in death by her maternal grandmother, Seline Antonelli Falce and her paternal grandfather, Francis D. Condrick Sr.

“Sam joined Gamma Phi Beta’s charter class at the University of Kentucky enamored with the idea she would have great opportunity to leave her legacy. Everyone remembers the day they met Sam, and how she made them feel valued. She spoke and moved with huge, infectious energy for ideas and positive problem solving, showing compassion and connecting people in big and small ways. Her laughter, zest for life, rare gift of a humble heart and love for the ideals and purposes of our sorority will continue to inspire and move in us as sisters. Her mark on us is that we are better and stronger for any treasured encounter with Sam and certainly for the privilege of counting her a sister – for good,” said Gamma Phi Beta recruitment advisor Nancy Ann Thompson (Iowa State).

A Mass of Christian Burial will be celebrated at 10:30 a.m. EST on Friday, February 5, at Saint Kilian Roman Catholic Church (7076 Franklin Road, Cranberry Township, Pennsylvania). Samantha will be laid to rest at Jefferson Memorial Park in Pleasant Hills.

Her family is requesting that memorial donations be made in her honor to the Asthma and Allergy Foundation of America — P.O. Box 424053, Washington, D.C., 20042, or online at www.aafa.org.

Expressions of sympathy may be shared with the family at www.boylanfuneralservices.com.

ABOUT

Gamma Phi Beta was founded on November 11, 1874, at Syracuse University by four bold and courageous women. The Sorority's mission is to build confident women of character who celebrate sisterhood and make a difference in the world around us. Headquartered in Centennial, Colorado, the Sorority has chartered 190 collegiate chapters across the United States and Canada and has more than 234,000 collegiate and alumnae members worldwide.
