FOR IMMEDIATE RELEASE

**CAITLIN CAPOZZI ELECTED MEMBERSHIP VICE PRESIDENT
OF GAMMA PHI BETA SORORITY**

Centennial, Colorado – Gamma Phi Beta Sorority announces the election of Caitlin Capozzi of Wellesley Hills, Massachusetts, to the position of Membership Vice President.

A long-serving member of the Membership department, Caitlin has served Gamma Phi Beta as a collegiate leadership consultant, special recruitment consultant, sorority coordinator-collegiate extension and sorority director-collegiate extension. Initiated at Alpha Chapter at Syracuse University, she will serve on a board of seven, overseeing a vast international volunteer base and a membership exceeding 200,000.

“Having the opportunity to serve on International Council is a significant honor for me. Since my Initiation into Alpha chapter 15 years ago, Gamma Phi Beta has been the constant in my life – personally and professionally – providing support, encouragement and growth opportunities,” said Caitlin. “This is an historic time for our sisterhood, and I am over the moon about the opportunity of helping build the prestige of Gamma Phi Beta throughout the next biennium as Membership Vice President.”

Caitlin has worked as a student affairs professional for 10 years, with experience in residence education, fraternity and sorority life, student activities, leadership, orientation and crisis response management. In her current role as dean of Students for Engagement at Babson College, Caitlin is tasked with aligning those functional areas, providing the opportunity to achieve high levels of intentionality and consistency with respect to how students engage with their collegiate experience beyond the classroom.

About Gamma Phi Beta International Sorority

Gamma Phi Beta International Sorority was founded in 1874 at Syracuse University in Syracuse, New York. The Sorority’s mission is to inspire the highest type of womanhood. Headquartered in Centennial, Colorado, the Sorority has chartered 185 collegiate chapters across the United States and Canada, and has more than 200,000 collegiate and alumnae members worldwide.
