*-- Renowned photographer recognized for outstanding achievements --*

**Centennial, Colorado** – Gamma Phi Beta Sorority presented member and critically-acclaimed photographer Pamela Littky with the Carnation Award at the Sorority's 77th biennial Convention in Atlanta, Georgia. The award recognizes members whose outstanding achievements in fields outside the Sorority have brought them honor or great distinction. Littky attended the University of Arizona where she was a member of Alpha Epsilon Chapter.

Primarily known for her disarming and intimate portraits of high-profile personalities, the Los Angeles-based photographer possesses a vast portfolio of strikingly beautiful work. In addition to her celebrity clientele, Littky has also extended her work to capture environmental portraits and everyday human subjects. Throughout her more than 10-year career, Littky's work has received numerous awards and has been shown in various exhibitions around the country.

Since 1974, Gamma Phi Beta has presented the Carnation Award to members who excel in their careers and positively represent themselves and the Sorority. The award recognizes impressive personal accomplishments and identifies role models within the organization. This year's other Carnation Award winners include certified speaking professional and author Barbara Glanz, aviation professional Kathy Fox and Time Warner Cable Networks executive Melinda Witmer.
